## Klein Tools<sup>®</sup> Tradesman Pro<sup>™</sup> Storage Solutions Offer Greater Carrying Capacity

**July 2, 2019 (Lincolnshire, Ill.)** – Klein Tools ([www.kleintools.com](http://www.kleintools.com)), for professionals since 1857, introduces the Tradesman Pro<sup>™</sup> Tool Master Rolling Tool Bag (**Cat. No. 55473RTB**) and the Tradesman Pro<sup>™</sup> 48-Quart Tough Box Cooler (**Cat. No. 55650**). The 55473RTB enables professionals to easily transport tools and materials through harsh jobsite conditions with rugged 8-inch wheels. The 55650 is perfect for use on or off the jobsite with the ability to keep items cool for up to 30 hours. Both products augment Klein's existing line of [Tradesman Pro<sup>™</sup> Organizers](#) to provide maximum storage capacity.

### **Tradesman Pro<sup>™</sup> Tool Master Rolling Tool Bag (Cat. No. 55473RTB)**

- Rugged 8-inch (203.2 mm) wheels provide high clearance to easily roll over rough terrain
- Hard top allows for stacking additional materials on top and is contoured to safely hold cell phones, beverages or small parts
- Load tested up to 250 pounds (113 kg)
- Heavy-duty telescoping handle enables easy maneuvering on the jobsite
- Total of 19 interior and exterior pockets provide maximum tool storage
- Wide open, bright orange interior accommodates large tools and increases tool visibility
- Constructed durably with water-resistant 1680d ballistic weave material
- Exterior webbing and D-rings allow for bungee cord attachment and other add-ons
- Metal latches keep lid closed
- Double lock hasp on hard top fits padlock to secure tools and equipment when not in use (padlock not included)
- Easily twist-lock the Klein LED Light ([Cat. No. 55437](#)) or Wireless Speaker ([Cat. No. AEPJS1](#)) on front mount (items sold separately)

**Tradesman Pro™ Tough Box Cooler, 48-Quart (Cat. No. 55650)**

- Main compartment has a 48-quart (45 L), 72-can capacity
- Keeps items cool for up to 30 hours
- Exterior stainless steel bottle opener for added convenience
- Separate, removable plastic container keeps items dry and slides on top ledge for easy access
- Sealing gasket and heavy-duty rubber latches keep items cool and lid sealed shut
- Leak resistant drain to empty excess water without tipping cooler
- Tie-down holes on each corner designed to help secure items wherever in use
- No-rust stainless steel hinged lid stays upright with stainless steel wire
- Durable nylon rope with textured rubber grip handles for easy carrying
- Industrial exterior body design supports seating capacity of up to 300 pounds (136 kg)
- Easily twist-lock the Klein LED Light ([Cat. No. 55437](#)) or Wireless Speaker ([Cat. No. AEPJS1](#)) on side mounts (items sold separately)

“Tradespeople transport a wide variety of tools, materials, equipment and other items when traveling to and from the jobsite,” says Linda Rolfe, senior product manager at Klein Tools. “Klein Tools’ new Tradesman Pro™ Organizers offer greater carrying capacity. For instance, the Tool Master Rolling Tool Bag features rugged 8-inch wheels to easily haul supplies through tough terrain with a hard top designed for stacking extra materials. The Tough Box 48-Quart Cooler amps up Klein’s [original 17-quart model](#), keeping items cool for up to 30 hours and fitting up to 72 cans or 40 bottles. This extension to the Tradesman Pro™ product line provides professionals with new storage solutions for use on and off the job.”
